This luxurious body oil absorbs quickly and penetrates deeply, providing pure hydration for your skin.

Zija's Body Oil is powered by Moringa oleifera and other beneficial oils and extracts—including sweet almond, avocado and argan—in harmony with advantageous fatty acids. It's also infused with fresh lavender essential oil, which has natural relaxing properties. This luxurious blend absorbs quickly and goes right to work, providing pure hydration for your skin. Use GenM Moringa Body Oil daily to help fight the appearance of aging while leaving skin looking and feeling softer, smoother and more radiant.

Suggested Use: After bathing or showering, apply a generous amount of GenM Moringa Body Oil all over the body, focusing on especially dry and rough areas including the face, neck, elbows and hands. May be used several times daily.
