

ogen^m | Spa Masque

A creamy blend of vitamins, minerals, rich plant extracts, and French clay that clarifies, tones, and firms skin

Zija's Spa Masque is a healthy blend of vitamins, minerals, rich plant extracts and green clay found off the coast of Normandy, France. It removes impurities, absorbs excess oil, clarifies and tones skin and leaves your face feeling smooth and firm. Green clay is rich in sea kelp, magnesium, manganese, zinc and other phytochemicals needed for balanced skin. The Spa Masque's pore refiner also lifts and removes unwanted debris and dead skin cells.

Suggested Use: Use one to two times per week as needed. Place a generous amount of product into the palm of your hand. Smooth a thin layer gently over the face and neck. Relax and allow the masque to work for three to five minutes or until the product becomes dry to the touch. Rinse thoroughly with warm water.

Ingredients: Water, Illite, Glycerin, Cetearyl Alcohol, Cyclomethicone, Bentonite, Polyglyceryl-2 Stearate, Phenoxyethanol, Cetearyl Phosphate, Caprylyl Glycol, Trihydroxystearin, Ethylhexylglycerin, Hexylene Glycol, Taraktogenos Kurzii Seed Oil, Moringa Oleifera Leaf Extract, Sodium Phytate, Capryloyl Glycine, Leptospermum Scoparium Branch/Leaf Oil, Nigella Sativa Seed Oil, Palm Glycerides, Potassium Lauroyl Wheat Amino Acids, Magnolia Grandiflora Bark Extract, Chitosan Succinamide
